Each month, check to make sure you have met the new USDA requirements, including the following:

- Do not use Master Menus or Custom Menus beginning October 1, 2017. They do not meet the new USDA meal pattern requirements and they will be deducted.
- Menus must contain at least one identifiable WG or WGR product each day. Whole grain (WG) or whole grain-rich (WGR) must be written on menus next to your grain item. For example, whole wheat toast or WGR crackers.
- Meat/meat alternate may be served in place of the entire grains component at breakfast a maximum of three times per week (Sunday – Saturday).
- Cereal names must be recorded (for example: Cheerios, Kix, Wheaties) and cannot contain more than 6 grams of sugar per dry ounce.
- Yogurt cannot contain more than 23 grams of sugar per serving.
- Tofu must be firm, extra firm, soft, or silken and commercially-prepared.
- No food items can be deep-fried onsite.
