- If the parent supplies any infant foods, you must submit an online fillable form located at www.wisconsinearlychildhood.org under Food Program Forms and Resources, Food Claims, Infant Food Provided by Parent, or highlight them in yellow on your infant menus.
- Submit an updated Parent/Provider Formula Agreement if there is a change in source (parent or provider) of food. If you need additional copies of this form visit: www.wisconsinearlychildhood.org, Food Program Forms and Resources, Food Claims.

PARENT: All children enrolled in this day care, including infants, are eligible for meals through the United States Department of Agriculture (USDA) Child and Adult Care Food Program (CACFP). Child care providers in the program are reimbursed to help with the cost of serving nutritious meals to enrolled children. The meals must meet CACFP nutrition guidelines for children and infants. To meet CACFP requirements, this provider will supply formula and other foods for infants. **To help provide the best nutritional care for your infant, please complete the following information and return it to the provider:**

I understand that the child care provider will supply the above iron-fortified infant formula for infants according to the CACFP requirements.

USDA REQUIRES A OR B:

- A. If you formula-feed your infant, place a check mark (✓) by only ONE of the following:
- I prefer to have my child care provider supply formula, OR;
 - I will supply formula for my infant. (Not all infant formulas meet the CACFP criteria.)
- B. OR If you breastfeed your infant, place a check mark (✓) by only ONE of the following:
- I will supply expressed (pumped) breast milk, OR;
 - I will supply expressed (pumped) breast milk and have the child care provider supply formula to supplement as needed, OR;
 - I will supply expressed (pumped) breast milk and will supply formula to supplement as needed.

I understand the child care provider will supply infant food for infants as they are developmentally ready according to the CACFP requirements. Infant foods include fruits/vegetables, meat/meat alternates, and enriched bread or snack crackers that are creditable to the USDA Infant Meal Pattern. Parents or guardians may, but are not required to supply only one meal component in order for the meal to be reimbursable to the provider.

USDA REQUIRES: Place a check mark (✓) by ONE of the following:

- I prefer to have the child care provider supply infant foods, OR;
- I will supply infant foods for my infant.

This day care home provider has not requested or required me to provide infant formula or food for my infant. I understand that I have the choice of having my infant participate in the CACFP.
