

When to Expect Your Food Program Reimbursement

Submit your claim by the 5th of the month to guarantee on time payment. If a claim is received more than 30 days after the due date, it is too late to process and reimbursement is lost.

Checks are mailed or directly deposited on or before the 10th of the month. By calling 1-800-783-9322, ext. 4001, providers may listen to a recorded message indicating when checks will be mailed or direct deposit will occur. This message is updated only when we have current information.

Visit the WECA website at www.wisconsinearlychildhood.org for information about online claiming.
