

You say tomato,  
I say totomomo.

**For young children,  
eating healthy is just as important  
as learning how to speak.**

If your child goes to family child care, good nutrition can get even better through the **WECA Food Program**. Eligible child care providers receive a reimbursement for preparing and serving healthy meals to children.

Research confirms that children who are enrolled in the Food Program get meals that are nutritionally superior and have fewer servings of fats and sweets.

Visit [wisconsinearlychildhood.org/food-program](http://wisconsinearlychildhood.org/food-program) to learn more and make sure your family child care provider is enrolled in the WECA Food Program.

For questions, call the WECA Food Program at 800-783-9322 ext. 7238
