

2021 Provider Training Test Sheet - Due date: May 31, 2021

Your first/last name _____ Your 6-digit WECA number _____

Your area coordinator is: Alice Annie Annette Betsy JoAnn Mary Suzette

Choose or write in the correct answer (or answers) for each question.

1. A _____ and _____ are required if a child can't follow the required meal patterns.
2. A disability is a physical or mental impairment that substantially limits one or more major life activities, such as breathing or digestion. For example, an allergy and/or intolerance impairs _____, and therefore is considered a _____ when supported by a medical statement.
3. Maintain the following onsite in your record keeping binder: Home Visit Review Forms. True False
4. Each child who attends your family child care home must be provided equal access to the benefits of the food program. For example, infants must be offered infant formula and food at your family child care home; parents can't be asked or required to supply them. True False
5. One kind of information that is reviewed on each claim: Is the tier status of residential children and/or children in care met? True False
6. Reimbursements can only be made to the individual enrolled in the WECA Food Program; payment can't be issued to a day care facility name or to another person. True False
7. If you have special approval to use paper menus, you must submit properly-completed forms so you don't lose reimbursement. True False
8. Offer a developmentally-ready infant three menu components at Breakfast, Lunch and Dinner, and three menu components at AM, PM and Evening Snack. True False
9. Never feed an infant cereal in a _____.
10. A parent/guardian can supply ONLY ONE menu component for their infant. They may supply the breastmilk (or the formula), OR one solid food.

Example 1: The infant only consumes breastmilk or formula.

- If this parent/guardian supplies the breastmilk or formula, you cannot claim the infant's meals for reimbursement. True False

Example 2: The infant is developmentally-ready for solids, and the parent/guardian still wishes to supply breastmilk or formula.

- The parent/guardian is supplying one menu component, which is all that USDA allows.
 - You must supply all other required components to claim the infant's meals for reimbursement.
- True False

Example 3: The infant is developmentally-ready for solids, and the parent/guardian chooses to provide one solid food.

- You must provide all other components, including formula, to claim this infant's meals for reimbursement. True False
