Eligibilities of Foster, Runaway, Homeless, and Migrant Children, and Children in Head Start

Start: If your household does not qualify your own children based on the information provided on this form, any child residing in your home who is a foster, runaway, homeless, or migrant child, or a child enrolled in Head start will qualify for Tier 1 meal rates when the respective documentation listed below is provided.

•Please note: **these children's Tier 1 eligibility status does not extend to any other children in the household.**

The respective documentation is required for these children to be eligible for Tier 1 rates:

- Foster Children:** Your completed HSIS with the 'Foster Child' box checked next to your foster children's names. When including them on your HSIS completed for your non-foster children, any income reported for your foster children must only be for their personal use. Your foster children will then be eligible for Tier 1 meal reimbursement rates. Your non-foster children's eligibilities will be based on the benefits or income information provided on your household's completed HSIS form.
- Children Enrolled In Head Start:** Written certification of your child's Head Start enrollment eligibility period from the Head Start administering agency.
- Runaway, Homeless, and Migrant Children:** Written certification of the child's status from an official of the appropriate Runaway and Homeless Youth Program, Migrant Education Program, or school official.

Use of Information Statement: The Richard B. Russell National School Lunch Act requires the information on this form. You are not required to provide this information, but if you do not, you cannot be approved to claim your residential children for meal reimbursement. You must include the last four digits of the social security number of the household member signing the form unless: the HSIS is only for your foster child(ren); you list a case number for receiving FoodShare WI, WI Works Cash Assistance, or FDIPIR; or when the household member signing the HSIS checks "None" for not having a SS#.

Sharing Eligibility Information: Children's meal eligibility information may be shared, in accordance with disclosure protection requirements without prior notification, with education, health, and nutrition programs to assess their eligibility for benefits. The law allows us to share your children's eligibility information with programs such as Medicaid or BadgerCare for ensuring their access to free or low cost health insurance, **unless you tell us not to.** This information may only be used for determining eligibility for their programs; if your children are eligible, they may contact you to offer their enrollment options. Please note that filling out this HSIS does not automatically enroll your children in these programs. **If you do not want your information to be shared with these programs, please notify us in writing. This notification will not change whether your children's meals are eligible for meal reimbursement.** Your eligibility information provided on the HSIS may also be shared with auditors for program reviews and law enforcement officials for the purpose of investigating violations of program rules.
