

A stylized illustration of three colorful buildings. The left building is grey with a yellow base and two windows. The middle building is green with a brown roof and three arched windows. The right building is orange with a brown roof and two windows. The title "Advancing EQUITY in Wisconsin's Early Education Workforce" is overlaid in large, bold, blue text.

Advancing EQUITY in Wisconsin's Early Education Workforce

Participants needed for a study that examines the lived experiences of early educators

Why Participate

- You will help advance a diverse and representative early childhood workforce in Wisconsin at all levels through a focus on equitable policies and practices. This will ensure high-quality care that provides opportunities for all - children, families and workers.
- You will help advance equity in Wisconsin's early childhood workforce.
- You will receive a gift card for participating in this study.

Criteria for Participation

- Adults, aged 18 years or older who work in the state of Wisconsin as an early education professional.
 - >> family providers, group center assistant and lead teachers, group center directors and owners.
- Those who live in or work in rural areas of Wisconsin.
- Available to meet for a one-hour interview, via ZOOM or in person.
